*Eating undercooked meat/seafood may increase risk of food borne illness, especially if you have certain medical conditions. The Mission is committed to providing locally sourced, and sustainable items wherever possible. All cuisine is prepared without artificial trans fat and is created using fresh and natural ingredients. Our chicken is fresh & natural with no artificial flavors, chemicals, preservatives, or hormones. Warning: Certain foods and beverages sold or served here can expose you to chemicals including acrylamide in many fried or baked foods, and mercury in fish, which are known to the state of California to cause cancer and birth defects or other reproductive harm.

For more information go to www.P65Warnings.ca.gov/restaurant

IMPORTANT INFORMATION ABOUT THE MISSION GLUTEN-FREE MENU: Our chef has trained all kitchen staff on gluten-free preparation in regards to cross contamination. Although the staff is informed and properly trained, there is always the possibility of cross contamination due to the fact that THE MISSION is not a gluten-free establishment. Please mention to your server if you have gluten-sensitivities, so the kitchen staff may be alerted. WARNING: Drinking distilled spirits, beer, coolers, wine and other alcoholic beverages may increase cancer risk, and, during pregnancy, can cause birth defects. For more information go to www.P65Warnings.ca.gov/alcohol
